KathmanduCountry: NepalGiven name (as shown in passport): HemantaFamily name (as shown in passport): OLIGender: Male FemaleDate of Birth: 14-Nov-1997Nationality: NepalPassport/ID No: 11334470Number of accompanying children under 11 years of age: 0Full residential address: Tulsipur 09, Dang, NepalAddress in the UK: Pontypridd, Wales CF37 4BDSputum Test Not Done NegativeChest X-Ray Not Done Normal Abnormal**No evidence of active pulmonary TB** Family contact with tuberculosis Pregnant Under 11 years of age and has undergone health assessment Chest X-Ray & Interpretation with applicant Referral letter given to applicant

IMPORTANT: You must carry this certificate with you, in your hand luggage, when you travel to the UK and present it to the Immigration Officer on arrival. Failure to do so will result in a delay to your journey as you may be required to undergo the tests again. Upon arrival in the UK you should register with a General Practitioner (GP) and give a copy of this certificate for their records. If your chest x-ray shows abnormality requiring follow-up, we will also give you a copy of the chest x-ray and interpretation which you also have to give to the GP.
